Congo, Rep.	India	Morocco	Solomon Is.	Zimbabwe
			Somalia	

\*As Research Committee 27 of the International Sociology Association, ISSA uses the ISA Country Categories. Source: For operational and analytical purposes, the World Bank's main criterion for classifying economies is gross national income (GNI) per capita. This classification does not necessarily reflect development status. The World Bank, October 2015, [www.worldbank.org](http://www.worldbank.org).
